

Space Engineering Seminar <The Schedule in 2026>

Updated on April 6, 2026

Time Schedule: 12:10–12:55 PM

Place: Space Engineering Seminar will be offered by Teams (synchronously) or in-person (Room# S-2A)

For details, please refer to seminar announcements from Asst. Prof. Orger via email.

Certifier (Signature) : Assistant Professor Orger Necmi Cihan

For Doctoral Program students, Space Engineering Seminar's attendance can be counted as "Interdisciplinary Seminar of Engineering (工学融合科目)". However, please make sure you read and understand the following instructions:

1. You cannot include a seminar provided under your own major course. (*See the "Major Course" on the schedule below.)
2. You need to attend TWO Space Engineering Seminars to count as 1 lecture for "Interdisciplinary Seminar of Engineering".
3. In order to get 1 credit for "Interdisciplinary Seminar of Engineering", you need to attend 6 lectures. You can include upto 4 lectures from common field for 1 credit.
4. Please refer to the updated lecture schedule (besides Space Engineering Seminar) on the website:
<https://www.tobata.kyutech.ac.jp/gr-school/gra-menu/>
5. For Doctor students enrolled in or before 2018: "Interdisciplinary Seminar of Engineering" is a mandatory subject, and 2 credits are required.
For Doctor students enrolled in and after 2019: "Interdisciplinary Seminar of Engineering" is an elective subject, and you can take up to 2 credits.

[How to get a proof of attendance]

For seminars held in-person: You should get a stamp or signature on a Performance report form by Prof.Orger as a proof of attendance. For online seminars: Instead of getting a stamp as a proof of attendance, submit a one paragraph (75–150 words) summary (typed in English, with student ID number and date, and then signed) using Microsoft Word. Send the file to Asst. Prof.Orger within one week of the lecture.

His email address is: <orger.necmi-cihan397(at)mail.kyutech.jp>.

[How to attend a Teams seminar]

SEIC students will get a Teams information via SEIC mailinglist prior to each seminar.

If you are not a member of SEIC, and you wish to attend Space Engineering Seminar, please request the Teams ID and password from Asst. Prof. Necmi by using his email address <orger.necmi-cihan397(at)mail.kyutech.jp>.

For further information and participation, please contact Asst. Prof. Orger or Graduate School Section <koh-daigakuin(at)jimu.kyutech.ac.jp>.
